

**COMMUNICATION SPECIALIST - 3 YEAR CONTRACT** 

CORPORATE COMMUNICATION DIVISION

#### **BACKGROUND:**

and respond to the issues as they arise.

The Ministry of Education & Youth has been undergoing transformation and modernization of its structure, systems and programmes. This has included the establishment of new entities/agencies, which will have responsibility and ownership for some of the functions, which were formerly carried out under the parent Ministry. The role and functions of the Ministry are diverse and complex and the Executive management team continues to grapple with the diverse issues arising from the implementation of the transformation process and ongoing changes as it seeks to improve the efficiency and effectiveness of the Education Sector

In addition to managing the ongoing transformation and regular operations of the Ministry, there is a significant requirement for communication strategies with the many and varied stakeholder groups within the education sector. The implementation of the transformation process also requires that comprehensive communication and public relation strategies are in place to ensure adequate updating and feedback opportunities are provided to and for the stakeholder groups.

The Ministry has experienced reputational damage in recent years and is seeking to rebuild trust with all our stakeholders and the general public. There is a need for communication strategies to be developed to combat

A Corporate Communications Division was recently established in the Ministry and is in its infancy. The Corporate Communications Division is tasked with responding to numerous operational matters on a daily and weekly basis in support of the Minister, Permanent Secretary, Ministry and Agencies. The numerous daily and weekly demands on the Corporate Communications Division have made it difficult to craft and develop a comprehensive communication strategy for the Ministry, Agencies and Regions.

To this end, the Ministry is seeking to engage the services of Communications Specialist on a short term basis as resource personnel to strengthen its in-house capacity to ensure that the communications and public relations strategies are on target and consistent with supporting the modernization of the Ministry and by extension the education sector.
